PROFESSIONAL EXPERIENCE

Sales Operation Enablement

Levant Outsourcing – Amman, Jordan | Jan 2024 – Present

- Coordinate sales operations across multiple divisions, ensuring smooth workflows and alignment with customer needs.
- Act as a customer point of contact for pricing details, feedback, and pricing adjustments.
- Prepare invoices, document payments accurately in Salesforce, and maintain organized financial records.
- Plan and execute internal events and a major international company event, including venue selection, activity coordination, giveaways, and transportation logistics.
- Collaborate with formulation, pricing, and other teams to streamline processes and meet client expectations.
- Use Salesforce to track sales activities, monitor payment statuses, and support data-driven decision-making.

Assistant Product Manager

Nudra Technology – Amman, Jordan | Jul 2023 – Jan 2024

- Built and maintained strong client relationships and communicated regularly with customers.
- Developed account growth strategies and identified upselling and cross-selling opportunities.
- Addressed client inquiries and concerns while providing effective customer support.
- Negotiated and finalized contracts, pricing terms, and renewals.
- Analyzed client data and gathered feedback to identify improvement opportunities.
- Maintained account documentation, reported account status, and resolved issues.
- Supported client retention by proactively addressing concerns and maintaining customer satisfaction.

Representative

SelfieBoxx – Amman, Jordan | Apr 2019 – Sep 2023

- Represented the company across events and services in multiple cities in Jordan.
- Adapted to changing market and work environments and contributed innovative ideas.
- Provided technical support for company software and hardware needs.
- Supported team management and leadership during event activities.

Technical Support Trainee

Tech Process Solution & Islamic Hospital – Amman, Jordan | Nov 2022 – Jun 2023

- Provided technical support and troubleshooting through multiple communication channels.
- Documented interactions and solutions in ticketing systems and escalated complex issues when necessary.
- Contributed to knowledge sharing and feedback initiatives to improve product quality and customer satisfaction.
- Maintained high-quality support while following data security and privacy requirements.

Customer Service Representative

Extensya – Amman, Jordan | Oct 2019 – Jan 2020

- Managed customer inquiries through inbound calls and provided product-related technical consulting.
- Collected customer feedback, raised complaints, and followed up to improve service quality.
- Adapted to changing client procedures based on market needs.
